

PERSONNEL COMMITTEE REPORT

March 2015

New Hires

Jodie Imel joined the Fire Department as Fire Inspector on March 2. Jodie received a Bachelor's Degree from Purdue University, is certified by the State of Indiana as a Fire Inspector I and II, and is a continuous learner of the non-suppression side of the fire service. Jodie and her husband have returned to their "Northern Home" after nearly 25 years in Louisville, Kentucky.

Cody Glover joined the Wastewater Treatment Utility as Operator on March 9. Cody obtained an Associate's degree in Construction Technologies from Vincennes University. He most recently worked for a heating, cooling, and plumbing company where he worked with sanitary and stormwater drainage piping systems.

Amanda Ray joined the Department of Development as Administrative Assistant on March 30. Amanda obtained an Associate's degree in Paralegal Studies from Ivy Tech Community College and most recently was employed by Stuart & Branigin.

Retirement

Congratulations to Betty May who retired from the Department of Development on March 31 as Financial & Code Assistant, primarily responsible for enforcing the Rental Certification Program. Thanks to her dedicated work over the past 23 years, the City has earned an outstanding reputation for this Program state-wide.

Employment Milestones

The City of West Lafayette would like to express its appreciation to Robert Cheever, Maintenance Technician I, in the Parks and Recreation Department for having obtained 15 years of service.
